Become a Friend of Conservation!

With your support, SECDEA successfully maintains a Benevolence and Scholarship Fund.

The **Friends of Conservation** program are funds set aside to assist our fellow southeast district employees in times of need. When our employees are struggling from a family death, ill health, natural disaster, etc. you can complete a benevolence request to help your friend. A request form can be found at www.secdea.net/benevolence

The **SECDEA Scholarship** program is a professional development scholarship aimed at assisting members with district budget constraints to attend the annual SECDEA conference. Further information and application can be found at www.secdea.net/conference-scholarships

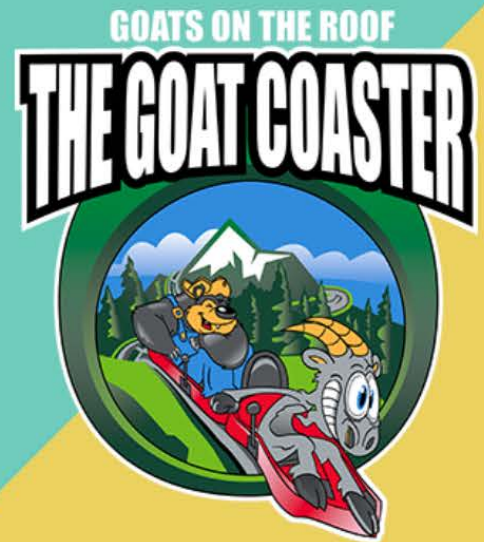

Donations can be made on your conference registration form or onsite at the conference. Thanks for your support!
